Training Experience

October 2023 - March 2024

Bangladesh Japan IT Engineer
Training Program (B-JET)

Trainee

B-JET is a Professional Training program launched by Japan International Cooperation Agency (JICA) and Bangladesh Computer Council in (BCC) 2017, funded by Japan JICA and facilitated by reputed private organisations. JICA and BCC finished the first phase of the project in October 2020, and the B-JET project was handed over in March 2021. The second phase of the program, as the successor to B-JET, will be a joint venture between North South University (NSU), University of Miyazaki (UoM), B&M, BJIT Group, and SHINKOSHUPPANSHA KEIRINKAN.

June 2023 - July 2023

Bangladesh-Miyazaki ICT Engineers
Educational Training Project (B-MEET)

Trainee

Bangladesh - Miyazaki Educational Training Project (B-MEET) is an international partnership program with the aim of the project purpose "Business Exchange Promotion Systems in both Bangladesh and Miyazaki will be established," supported and supervised by the Japan International Cooperation Agency. This course "B-MEET for University Students" is a training program for human resources development on the Bangladesh side toward strengthening and contributing to the promotion of business exchange between Bangladesh and Miyazaki.
